

# SVA Library

## GUEST ACCESS POLICY

The SVA Libraries are primarily for the use of SVA students, faculty, and staff, but are accessible to guests on a limited basis.

### **Guests of students, faculty, and staff**

If you are an SVA student, faculty or staff member who would like to bring a guest to the SVA Libraries, please contact us at <https://sva.libanswers.com/> at least 24 hours in advance with the name and email address of your guest, and the date and time you would like to bring them. Guests are approved by the library on a limited basis.

### **Unaffiliated guests**

The library is not available for use by unaffiliated guests except for the specific use of collection material that is rare or hard to find in the NYC area. If you have found material in our collection that you would like to use onsite and you are affiliated with another library in the NYC Metro area (including the [New York Public Library](#)) please contact your library to see if they are members of the Metropolitan New York Library Council's library referral program. If you don't have access to this program, contact us at <https://sva.libanswers.com/> at least 24 hours in advance of your proposed visit and include your name and contact information, the date and time you would like to visit, and the materials you would like to use from our collections.
