THINGS TO KEEP IN MIND

⇨ You must get hired for an internship **before** applying to this program. ⇩

INTERNSHIP REQUIREMENTS

1. The internship must be aligned with and supporting your current major and career goals.
2. The internship must be designed for you to work directly under the supervision of a professional in your field. (Freelance work does not meet this requirement.)
3. Your internship work dates must fall during the semester dates listed on the SVA Academic Calendar.
4. You must complete 150 hours in this internship during the semester*. (Please note that some graduate programs have their own requirements.)

- **Compensation**: Internships-for-credit can be Paid**, Unpaid, or offer a Stipend (e.g. Metrocard, lunch, etc).
- **Work Location**: Current policies allow for Remote, On-site, or Hybrid internships.
- **Equipment/Software**: Employers should provide any software needed for internship work, no matter the work location, and are strongly encouraged to provide a computer to interns for privacy and legal purposes.
- **Forms & Documents**: You may be asked to sign forms such as a confidentiality agreement when hired. Please take the time to understand all of the documents you are signing and be sure to keep a copy of each document for yourself. If you have any questions, you can contact Career Development via email or book an appointment.
- **Employer’s Guide**: You should provide your employer with SVA’s Employer Internship Guide, ideally during the final interview stage so that they understand the program in advance. You can download a copy of the Employer Guide from the ICP website.

BEFORE APPLYING ONLINE

Be sure you have all the following information prepared for the online application:

- **How will this internship relate to your professional development and your short- and long-term career goals?**

- **What is your agreed upon work schedule?** What days of the week, what hours each day?
  
  *We discourage you from working more than 150 hours total for the semester unless you are getting paid, but it is up to you to create a schedule that works for you. Many students in unpaid internships work about two days per week for 16 hours a week for 10-12 weeks.*

- **Who is your Academic Advisor?**

- **For fall/spring internships: How many credits are you registered for before the internship?**

- **For summer internships: Are you returning in the coming fall as either a full-time student or a part-time graduating senior?**

**INT’L: F-1 INTERNATIONAL STUDENTS AND CPT** *(US students, skip to page 6.)*

Curricular Practical Training (CPT) gives international students legal authorization to gain employment training such as an internship. International students who wish to work in an internship (either paid or unpaid) must apply to the Internship-for-Credit Program in order to obtain the necessary CPT work authorization and updated CPT I-20. International students must acquire work authorization (such as CPT) prior to engaging in any off-campus work.

- If you have any questions about your visa status or CPT requirements, please contact ISO.

**To Qualify for CPT**

- You must have been in valid F-1 status for one academic year.
- You must have your new CPT I-20 issued to you prior to starting work. Please do not start working without having the CPT I-20 and waiting for the start date printed on page 2 of the CPT I-20.
- The internship must be related to your major.
- You must complete CPT during the authorized semester and reapply for CPT each semester whenever you participate in the Internship-for-Credit Program.

INTERNSHIP-FOR-CREDIT PROGRAM FAQ’S

Q: Can I work two internships-for-credit per semester?
A: No, you may work only one internship-for-credit per semester.

Q: I’m taking a leave of absence this school year (a gap year). Can I do an internship-for-credit this coming semester?
A: A leave of absence means you are not a matriculated student for the academic year. Internships-for-credit are for matriculated students only who meet all the eligibility requirements. So it will not be possible to take an internship-for-credit during your gap year.

Q: Are there any requirements on what kind of business or size the internship company should be?
A: The business must do work that is directly related to your major and career goals or have an in-house department whose work is related to your field. There is no requirement of the size of the company although we do look closely at start-ups to try to ensure students will have a good, well-supervised experience.

Q: I’m an international student who took a leave of absence last year. When is the earliest I can do an Internship-for-Credit after I return?
A: International students must have been in full-time active F-1 status for one full academic year to be eligible for CPT. Therefore, after a student returns from a leave of absence, they must complete at least two consecutive semesters in order to be eligible for CPT.

Q: My internship employer needs my Social Security Number but I don’t have one. How can I get one for this coming semester?
A: If you need to apply for a social security number, please email the ISO at iso@sva.edu for guidance. Please note that you cannot apply for a new social security number until you are approved for the Internship for Credit program and received your CPT I-20. It is up to your employer if they will allow you to begin working prior to receiving your social security number.

Q: I’m an international student and got my Social Security Number last year. Is it still valid or do I need a new one if I get a new internship?
A: Once you have a U.S. Social Security number, you can continue using it and do not need to reapply for a new one.
FAQ’s continued...

Q: I’m an international student currently residing in the U.S. Can I intern remotely with a company that’s located in my home country?

A: International students in F-1 status are not permitted to work off-campus in the U.S. without employment authorization. You can be considered in violation of your status if you engage in an internship remotely with a company in your home country while you are in the U.S. Please note that we can only authorize CPT if the internship takes place in the U.S. and the internship employer has a U.S. address.

If you’d like to discuss any of these, or have other questions, please email us at cd@sva.edu.
