March 27, 2013

Mr. Sun Young Kim
Founding Director
Ashcan Studio of Art
45 E. 34th Street, 4th Floor
New York, NY 10016

Dear Sun Young,

This letter is in support of a 1 + 3 agreement between the School of Visual Arts and Ashcan Studio of Art. SVA will officially accept studio credit from Ashcan for students entering SVA's foundation year programs.

The following conditions apply to this understanding:

1. Applicants from Ashcan must satisfy all SVA admissions requirements.

2. Ashcan students must have attended an accredited college or university, earning a minimum of 12 credits in humanities and sciences. Art history is not considered a valid source of the required 12 credits.

3. Students must earn a letter grade of "C" or better to qualify for transfer credit.

4. SVA will award a maximum of 18 studio foundation credits in the areas of Painting, Drawing (2D), Sculpture (3D), and Visual Computing (Mac or PhotoShop classes). Please see the attached course equivalence sheet.

5. These credits can only apply toward the following BFA majors: Fine Arts, Cartooning, Design, Illustration, and on select occasions Advertising.

6. The level of proficiency in a student's portfolio must match placement level. Essentially, applicants from Ashcan will need sophomore level artwork.

7. A digital portfolio must be on file at SVA to aid in the transfer evaluation process.

As always, we look forward to welcoming your students to SVA. Please do not hesitate to contact me directly if you have any questions, arogers@sva.edu or 212-592-2266.

Sincerely,

Adam Rogers
Director of Admissions
