

**Artist Statement:**

JPG1 to JPG4 is a series of illustrations made with watercolor, ink and washi tape. In this series, I hope to exhibit Chinese traditional clothes' beauty in different seasons. I've used Mucha's works as references, showing the softness of the female figure. As for JPG5, this is a piece from my drawing class in the foundation year. The Tiger is a symbol of strength, and it consists of thousands of Chinese characters.
